IU Health Methodist Medical Plaza South
Indiana University Health Methodist Medical Plaza South, located in the Greenwood area, offers a wide range of medical services.

8830 South Meridian St.
Indianapolis, IN 46217
T: 317.865.6800

Laboratory Testing
IU Health Methodist Medical Plaza South offers many lab services. Most test results are available within 24 hours, however, some tests call for special processing and may require additional time. Patients will need an order from their physician before we can complete any tests.

Lab hours:
Monday – Thursday, 6:30 am – 5:30 pm
Friday, 6:30 am – 5 pm
Saturday, 8 am – noon

To schedule a lab test, please contact us by phone at 317.865.6668 or by fax at 317.491.6010.

Radiology Services
At our south side location, we offer the following radiology services:

- General X-ray
- Bone density scan
- Screening mammography
- Computed tomography (CT) scan
- Magnetic resonance imaging (MRI)
- Ultrasound

A board certified radiologist reads all exams, and reports are made available to the ordering physician, usually within two business days after the test.

Radiology exams performed at all IU Health Methodist Medical Plazas are kept on different types of storage media. Not every exam is kept on hard copy X-ray film. If you need a copy of your exam to take with you to a physician, we would be happy to provide you with a CD of your images. We may need 24 hours' notice to ensure your exam is available to be picked up. Please contact the site where your exam was performed for more information.

To schedule a radiology service, please contact us by phone at 317.865.6788 or by fax at 317.865.6672.
Radiology services hours:
Monday, 7:30 am - 6 pm
Tuesday - Thursday, 7:30 am - 5:30 pm
Friday, 7:30 am - 5 pm

Outpatient Surgery
Meridian South Surgery Center is a multi-specialty ambulatory surgery center (ASC) located at IU Health Methodist Medical Plaza South. A variety of specialty services are provided, including general surgery, endoscopy, gynecologic surgery, orthopedic surgery, pain management, plastic surgery, podiatry, ophthalmology and otolaryngology, using our fully equipped, technically advanced operating rooms. If you are interested in scheduling your procedure at this facility, you must schedule this through your physician's office.

Surgery Center hours:
Monday - Friday, 6 am - 4 pm
T: 317.865.6690

Scheduling Information
You will need to schedule an appointment for most radiology tests, including screening mammography, ultrasound exams, CT scans and MRI exams. It is not necessary to schedule an appointment for laboratory tests, except in the case of a glucose tolerance test.

With the exception of screening mammography, patients will need to provide a physician's order for all tests performed at IU Health Methodist Medical Plaza South. This order may either be turned in at the time of the test or faxed to us from the physician's office before your appointment.

Women who desire a screening mammography will need to provide the name of your physician so that a results report can be sent to him or her. Please call 317.865.6788 or 317.962.3580 to schedule a screening test.

All patients must be registered before proceeding to radiology or surgery departments. Please bring your insurance/Medicare card(s) with you each time you visit the facility.
