Course Description

This two day course is designed to assist the Pediatric RN in preparation for the Certified Pediatric Nurse exam. The course will discuss test taking strategies as well as clinical content in alignment with the PNCB CPN content outline.

Who should attend?

RN’s with a minimum of 1800 hours of pediatric clinical practice within the past 24 month period who are interested in becoming certified as a pediatric nurse.

IU Health downtown employee attendance at this review course indicates a commitment to sit for the Certified Pediatric Nurse exam on or before December 1, 2014.

Objectives

- Identify test taking strategies pertinent to the exam
- Discuss the professional role of the nurse
- Discuss growth and development from birth through adolescence
- Discuss health promotion in the pediatric population
- Describe common pediatric disease conditions and associated nursing interventions.
