Riley Hospital for Children at IU Health: Excellent and Expert Care

As Indiana’s first and only comprehensive hospital dedicated exclusively to the care of children, Riley Hospital for Children at IU Health has provided compassionate care, support and comfort to children and their families for more than 80 years. Each year, Riley has more than 300,000 inpatient and outpatient visits from across Indiana, the nation and the world.

Riley Hospital for Children at IU Health North opened in 2005, and Riley Hospital for Children at IU Health Methodist opened in 2006, offering more pediatric services to Hoosiers.

Riley Hospital’s strong affiliation with Indiana University School of Medicine makes it the only comprehensive clinical resource for Indiana’s children and the premier source for health-related information for their parents. From simple care associated with the health and wellness of children and less complex specialty care to the most critically ill and medically complex cases, Riley Hospital for Children at IU Health is the leader for pediatric care in the state and the region.

When it comes time to refer your patients to the specialty care of Riley Hospital for Children at IU Health, this guide will serve as a resource, placing every Riley physician at your fingertips. Physicians are listed both alphabetically and by department. IU Health North physicians are listed after these sections. If you are referring a Spanish-speaking family, you will want to consult the section listing Riley Spanish-speaking physicians.

Thank you for partnering with Riley Hospital for Children at IU Health to provide quality care to Indiana’s children.

Riley Hospital for Children
at IU Health North Hospital
11700 North Meridian Street
Carmel, Indiana  46032
317-688-KIDS (5437)

SERVICES PROVIDED
Riley at IU Health North brings together Riley pediatric specialists with outstanding community pediatricians, creating an environment that is family-centered and focused on the best care for children.

Riley at IU Health North features:

• All private rooms with in-room family sleep space including the first private room NICU in the state
• Licensed, 46-bed NICU with a neonatologist onsite 24/7
• 10-bed pediatric unit with a pediatric hospitalist onsite 12 hours per day with support from a pediatric intensivist during the night
• 6-bed PICU with pediatric intensivists onsite 24/7
• Family Sleep Suites with laundry facilities on the unit
• Infant and child abduction alarm security system
• Onsite IU Health LifeLine provides air-medical transport and neonatal/pediatric critical care ground transport
• All pediatric trained nursing staff are NRP/PALS/BLS certified
